## **Chapter 03– Career Disciplinary Process**

January 2009

#### POLICY

This General Order shall establish a consistent, fair, reasonable and equitable method for resolving conduct and/or performance-related violations of established rules and regulations of the Prince George's County Fire/EMS Department and the Prince George's County Code.

It shall be the general policy to follow a pattern of progressive discipline that provides employees with notice of deficiencies and an opportunity to improve both performance and conduct problems. Supervisors have the authority to initiate and/or take authorized disciplinary actions against their employees whenever such disciplinary actions are warranted by virtue of violations of standards of conduct or behavior or failures to maintain satisfactory performance.

However, the final determination for taking any authorized disciplinary action against any employee shall rest exclusively with the County Fire Chief or his/her designee. The job performance and conduct of each employee impacts directly on the public's trust in government and on the County's ability to achieve its mission of service to the public.

All employees are, therefore, responsible for adhering to the standards of performance and conduct.

#### PROCEDURES

#### 1. Supervisors

In order to reduce the need for disciplinary actions, supervisors must make every effort to educate and train personnel thoroughly in all aspects of expected conduct and levels of performance required of them. When appropriate education and training fail, the Department will implement a timely threestep disciplinary process in an attempt to correct an employee's unsatisfactory conduct and/or performance. The level of discipline must be commensurate with the severity of the action or inaction in question. Contact the Office of Professional Standards for guidance and direction.

Supervisors should utilize the "Supervisor Guidelines for Conduct/Performance Actions" (Attachment #1) to assist in the determination of the appropriate level or step of disciplinary action to be initiated. The guidelines are not intended to be an inclusive list, but to help serve as a general guide for supervisors to use in an effort to ensure consistent, fair, reasonable and equitable enforcement of rules, regulations, and procedures.

To use the "Supervisor Guidelines for Conduct/Performance Actions:"

- Align the employee's conduct and/or performance violation using the list of items in the left-hand column under the heading "Supervisor Guidelines for Conduct/Performance Actions" as a reference. Categories of violations are in Bold/Underlined and specific individual violations are in Bold.
- Implement the appropriate step of disciplinary action based on the corresponding recommendation in the second column, under the heading "Disciplinary Action for 1st Offense and Greater." Discretion means the

supervisor shall determine the level of disciplinary action depending upon the circumstances and facts involved. Cumulative means the supervisor shall take previous violations and efforts to correct employee behavior into account when determining the level of disciplinary action to take. A previous similar violation shall result in a higher disciplinary step for the current violation.

Once the level or step of disciplinary action is determined, the supervisor or their designee shall initiate the appropriate procedures as outlined below for the various steps of the disciplinary process.

# Step I - Verbal Counseling with Documentation

When an employee fails to maintain the level of conduct or performance that is reasonably expected of personnel in his/her position, the first step in correcting such behavior is a verbal warning or counseling session. This step can only be taken in cases that involve minor violations, where modified behavior can be reasonably expected through counseling, and when more severe action is not warranted. (Reference - "Officer Guidelines for Conduct/Performance Actions")

A supervisor shall complete an investigation into the conduct or performance violation and shall complete a personal, confidential interview with the employee within seven days.

Supervisor shall advise the employee where the employee's action(s) or inaction(s) failed to meet prescribed standards and why.

Employee shall be given an opportunity to explain his/her action(s) or inaction(s).

Supervisor shall advise employee what corrective action(s) should be taken, and given a reasonable time frame to comply.

Supervisor shall complete and sign a Step I -"Supervisor's Record of Counseling" form (Attachment #2) outlining the violation and counseling session as a record for future use.

A copy of the record shall be filed at the station in the employee's personnel file for a maximum of one year for use with their Past Performance Appraisal.

Within fourteen days the original signed Step I counseling form will be forwarded to the Department Disciplinary Coordinator (DDC) to be maintained in accordance with the Prince George's County Code, Subtitle 16, Personnel Law, Section 16-197, and the current Labor Agreement with the International Association of Fire Fighters (IAFF) Local 1619.

### Step II - "Written Notice of Unsatisfactory Conduct or Performance"

In the event verbal counseling fails to correct a previous conduct and/or performancerelated violation or the violation is too severe for verbal counseling, the next step toward resolution is a written reprimand, "Written Notice of Unsatisfactory Conduct or Performance." The written reprimand is intended to document and outline specific areas that need improvement as well as what may be done to accomplish such improvement. (Reference - "Supervisor Guidelines for Conduct/Performance Actions")

A supervisor shall complete an investigation into the conduct or performance violation and shall complete a personal confidential interview with the employee.

Supervisor shall present the "Written Notice of Unsatisfactory Conduct or Performance" within seven days after the alleged violation and/or investigation is completed.

Supervisor shall offer further counseling if needed.

Supervisor shall give specific instructions and/or actions to be taken by employee to prevent a recurrence, if applicable.

Supervisor shall advise employee that any subsequent violation(s) or act(s) of noncompliance may warrant the taking of more severe disciplinary actions.

The "Written Notice of Unsatisfactory Conduct or Performance" memorandum shall: (Attachment #3)

- State the date of the violation.
- Give a brief description of what occurred.
- Quote the sections of the Personnel Law and Departmental General Orders, Directives, etc., that apply to this violation.
- List the previous efforts to counsel and afford opportunities to take remedial action only if the previous efforts to modify behavior are relevant to this specific charge.
- Give specific instructions and/or actions to be taken by employee to prevent a recurrence, if applicable.
- State any subsequent violation(s) or act(s) of noncompliance may warrant the taking of more severe disciplinary actions.
- State the reprimand has been read and understood and that any signature does not indicate admittance of guilt, only acknowledgement that the employee has received a copy of the notice.

The "Written Notice of Unsatisfactory Conduct or Performance" shall be signed and dated by both the employee and supervisor as required by the Prince George's County Code, Subtitle 16, Personnel Law, Section 16-193 and 16-194. If the employee refuses to sign said "Written Notice of Unsatisfactory Conduct or Performance," the supervisor shall attach a signed certification that they issued the written reprimand to the employee and that the employee did not elect to respond in writing to the reprimand or sign the reprimand.

Employee will be given a copy and advised that a copy will be filed at the station in the employee's personnel file for a maximum of one year for use with their Past Performance Appraisal.

The original signed Step II "Written Notice of Unsatisfactory Conduct or Performance" will be forwarded to the DDC within fourteen days to be maintained in accordance with the Prince George's County Code, Subtitle 16, Personnel Law, Section 16-197, and the current Labor Agreement with the IAFF Local 1619.

An employee may respond to any written reprimand within five (5) working days of issuance by forwarding written comments to the DDC through their supervisor. The DDC will attach a copy of the employee's written comments to their "Written Notice of Unsatisfactory Conduct or Performance." The DDC shall notify the employee that their written comments have been appended.

### Step III - Formal "Statement of Charges"

A "Statement of Charges" shall be issued to an employee where the severity of an alleged conduct and/or performance violation is beyond acceptable levels for a first time

violation, or when an employee has repeated similar/related conduct or performance violations, or when an employee has multiple conduct and/or performance violations that generated previous discipline actions. (Reference - "Supervisor Guidelines for Performance/Conduct Actions")

The Fire/EMS Department and/or the supervisor shall complete an investigation into the conduct and/or performance violation.

The investigation may include, but not be limited to, signed confidential statements of all witnesses to the violation, original and/or copies of all relevant documents such as police reports, accident reports, etc., original and/or copies of all relevant audio and visual tapes, original and/or copies of notes/correspondence related to any interviews, etc.

The investigation shall include a personal confidential interview with the employee to determine the facts and circumstances of the violation and any extenuating circumstances concerning the employee that may mitigate against the taking of the particular disciplinary action against the employee.

Upon completion of an initial investigation, the Fire/EMS Department and/or supervisor may remove an employee from emergency operations, place restrictions on an employee's operational authority, place an employee on limited public contact or immediately suspend/place on administrative leave an employee as outlined by procedures in Section III. F. of this Directive as warranted. None of these actions shall be construed as final disciplinary action for any specific conduct and/or performance violation. Supervisor shall prepare and present in a personal and confidential manner the "Statement of Charges" within seven days after the alleged violation occurs and/or investigation is completed but in all circumstances, within 180 days of when the act comes to the attention of a supervisor.

The Office of Professional Standards shall advise the employee that a notice will be forthcoming advising them of the time, date and location of a hearing to address the "Statement of Charges." The responsibility to contact the IAFF Local 1619 and/or legal counsel rests with the employee.

Supervisor shall offer further counseling if needed.

The "Statement of Charges" memorandum shall: (Attachment #4)

- State the date of the violation.
- Give a brief description of what occurred.
- Quote the sections of the Personnel Law, Departmental General Orders, Directives, etc., that apply to this violation.
- List the previous efforts to counsel • and afford opportunities to take remedial action and/or previous disciplinary actions. Only include if previous efforts to modify behavior are relevant to this specific charge or if an employee's action, inactions, and/or attitudes constitute a representative course of conduct characterized by a general inability, incapability, and/or unwillingness on the part of the employee to conform to the applicable standards of conduct or behavior or to maintain a minimum standard of performance with respect to the quality and/or quantity of any or all of the duties, tasks, and/or

responsibilities properly assigned to the employee.

- State the "Statement of Charges" shall be forwarded through the chain-ofcommand for appropriate action. You could be issued a waiver of hearing or notified of the time, date, and location of the hearing, which will be conducted to address the aforementioned charges.
- State the reprimand has been read and understood and that any signature does not indicate admittance of guilt, only acknowledgement that the employee has received a copy of the charges.

The "Statement of Charges" shall be signed and dated by both the employee and supervisor. If the employee refuses to sign said "Statement of Charges," the supervisor shall attach a signed certification stating that they issued the "Statement of Charges" to the employee and that the employee did not elect to sign the "Statement of Charges."

Employee will be given a copy and advised that a copy will be filed at the station in the employee's personnel file for a maximum of one year for use with their Past Performance Appraisal.

The original signed Step III "Statement of Charges" will be forwarded to the DDC within fourteen days for further action.

### 2. Department Disciplinary Coordinator

Upon Receipt of Step I or Step II disciplinary actions, the DDC shall ensure actions are in compliance with the Prince George's County Code, Subtitle 16, Personnel Law, Section 16-195, and are consistent and uniform in relation to the general disciplinary practices and procedures and policies as applied to other employees under facts and circumstances which are substantially the same. The "Supervisor Guidelines for Conduct/Performance Actions" shall be used as a guideline.

If in compliance, the Step I or Step II shall be filed and maintained in accordance with Prince George's County Code, Subtitle 16, Personnel Law, Section 16-197, and the current Labor Agreement with the IAFF Local 1619.

If an employee responds to any Step I or Step II within five (5) working days of issuance by forwarding written comments to the DDC through their supervisor, the DDC shall attach a copy of the employee's written comments to their Step I or\_Step II. The DDC shall notify the employee that the written comments have been appended.

If a Step I or Step II is not in compliance with the general disciplinary practices, procedures, and policies, the Step I or Step II shall be returned to the issuing supervisor via their chain-of- command for further action. Such actions may be warranted by, but not limited to, non-compliance with the "Supervisor Guidelines for Conduct/Performance Actions," numerous previous similar infractions which warrant a higher degree of disciplinary actions, etc.

Upon receipt of a Step III, "Statement of Formal Charges," the DDC shall ensure actions are in compliance with the Prince George's County Code, Subtitle 16, Personnel Law, Section 16-195, and are consistent and uniform in relation to the general disciplinary practices, procedures, and policies as applied to other employees under facts and circumstances which are substantially the same. The "Supervisor Guidelines for Conduct/Performance Actions" shall be used as a guideline.

If the Step III is not in compliance with the general disciplinary practices, procedures, and policies, the Step III shall be returned to the issuing supervisor via their chain-ofcommand with directions for further action.

If the Step III is in compliance, the DDC shall proceed with a "Final Disciplinary Notice-Waiver of Hearing" or a Disciplinary Review Board Hearing as applicable and outlined below.

Upon completion of the aforementioned, the DDC shall forward a written report of findings to the appropriate Lieutenant Colonel for issuance of the Proposed and/or Final Notice as applicable and outlined below.

The DDC shall maintain a copy of all Final Notices upon completion/restitution of all Step III disciplinary actions. The copy shall be maintained in accordance with the Prince George's County Code, Subtitle 16, Personnel Law, Section 16-197, and the current Labor Agreement with the IAFF Local 1619.

# 3. Final Disciplinary Notice-Waiver of Hearing

When an employee commits a conduct and/or performance infraction, accepts full responsibility for their action, and does not wish to be subject to a Disciplinary Review Board process, they may accept a "Final Disciplinary Action-Waiver of Hearing" issued by the DDC.

The DDC shall determine if the nature of the employee's infraction and the employee's prior disciplinary history would warrant the issuance of a "Final Disciplinary Notice-Waiver of Hearing." The "Supervisor's Guidelines for Conduct/Performance Actions" column three (3), "Waiver Accepted for First Step III" should be used as a guideline for determining if the nature of the infraction is eligible for a Hearing Waiver.

Prior disciplinary history on file in accordance with the Prince George's County Code, Subtitle 16, Personnel Law, Section 16-197, and the current Labor Agreement with the IAFF Local 1619, should be used for determining if prior disciplinary actions warrant a Hearing Waiver.

If warranted, the DDC shall issue a "Final Disciplinary Action-Waiver of Hearing" to the employee. The waiver if accepted by the employee, generally stipulates that the employee is not disputing the infraction occurred and is accepting the disciplinary action as outlined.

The "Final Disciplinary Action-Waiver of Hearing" memorandum shall:(Attachment #5)

- List the date of the "Statement of Charges."
- State that in accepting summary disciplinary action, the employee is not disputing that a violation occurred. The employee is waiving a formal Disciplinary Review Board Hearing and any/all rights under the Grievance and Arbitration Procedure of the current Labor Agreement made by and between Prince George's County, Maryland, and the IAFF Local 1619.
- State the summary disciplinary action is considered final discipline as defined in the Prince George's County Code, Subtitle 16, Personnel Law, Section 16-201.
- List the fine.
- List the employee's options for payment.

- State that the employee has five (5) working days to respond to the waiver memorandum, and the date it must be returned. Failure to return the document by that date or declining to accept summary disciplinary action will result in a Disciplinary Review Board hearing.
- Provide a return for the employee to decline or accept the disciplinary action as outlined, with applicable signature blocks.
- State that with acceptance, the employee grants approval for the Prince George's County Fire/EMS Department to release a copy of this Final Disciplinary Action to the President of IAFF Local 1619.
- Provide approved/not approved check offs with applicable signature block for the Fire Chief.

The "Final Disciplinary Action-Waiver of Hearing" is advisory in nature and the final determination as to the taking of any authorized disciplinary action in relation thereto rests exclusively with the Fire Chief or his/her designee.

If the "Final Disciplinary Action-Waiver of Hearing" is accepted by the respondent and Fire Chief, it shall be considered final discipline as outlined under the Proposed and Final Notices procedure outlined below.

If the "Final Disciplinary Action-Waiver of Hearing" is not approved and/or accepted by the respondent and/or Fire Chief, a Disciplinary Review Board shall be convened to hear the statement of charges as outlined below. Neither the form nor its contents may be used in the Disciplinary Review Board hearing, disciplinary appeals, arbitration hearing, or for any other purpose.

### 4. Disciplinary Review Board Hearing

A Disciplinary Review Board Hearing shall be convened to hear evidence and explanation for any Step III "Statement of Charges" for which a "Final Disciplinary Notice-Waiver of Hearing" is not approved and/or accepted by the respondent and/or Fire Chief, or is not warranted due to the nature of the infraction, or is not warranted due to the number of previous similar/related infractions.

The DDC will assign a Disciplinary Review Board (DRB) to conduct an administrative hearing.

The DRB will normally be composed of four members, including the DDC.

- The DDC will serve as the chairperson.
- Three (3) Battalion Chiefs not from the respondent's battalion will serve as the remaining DRB panel.

The respondent and/or IAFF Local 1619 may petition the DDC to consider changing one of the personnel assigned to the DRB panel. This request shall generally be made at least three (3) days prior to the hearing date.

The supervisor, witness(s), DRB members, the employee's supervisor(s) and the President of the IAFF Local 1619 will be notified of the hearing by means of a copy of the employee's notification. Notification to any legal counsel for representation on behalf

of any employee shall rest exclusively with the employee.

The DRB "Disciplinary Hearing" notification memorandum shall: (Attachment #6)

- State the location, day, date, and time of the DRB hearing.
- List the members assigned to the DRB panel.
- State the employee and/or supervisor may request personnel to attend the hearing and testify to the facts and issues concerning the charges.
- State the employee has the right to Union and/or legal representation at the DRB hearing.
- State the employee and/or supervisor shall notify the DDC of any representative or witness who will attend the DRB hearing at least one day prior to the hearing.

If a hearing notice cannot be delivered to the employee in a timely fashion, the supervisor shall notify the employee verbally with a memorandum to the DDC of the date and time the notification was made.

Once notified, attendance at the hearing is considered an order. Failure to attend as directed may be considered insubordination subject to additional disciplinary action up to and including dismissal. The DDC may enter a "not guilty" plea on behalf of any employee who fails or refuses to attend the DRB hearing.

Any deviation from the hearing schedule will be at the discretion of the DDC. Any person advised to attend a DRB hearing that may have an issue with the date and/or time, shall notify the DDC promptly, but generally no later than three (3) days prior to the hearing. Prior to the hearing date, all information, i.e., signed statements, police reports, relevant documents, tapes, etc., to be used during the hearing shall be forwarded to the DDC by the supervisor, respondent and/or respondent's counsel to be duplicated for the DRB panel and exchanged between parties.

A DRB hearing shall be conducted in accordance with the format shown in Attachment #7 - Disciplinary Review Board Hearing Procedures.

The DRB hearing format shall include:

- A release for the employee, option to sign, to have a copy of the final disciplinary action released to the President of the IAFF Local 1619. If signed, one original to be maintained by the DDC, and one original to be given to the Union Representative at the hearing (Attachment #8).
- A preliminary introduction to the hearing to include general conduct, procedures, and that the hearing will be taped. A copy of the tape will be made available to the respondent and/or legal counsel upon written request to the DDC.

A formal introduction to the hearing shall include:

- A cursory review of the Department rules and regulations and the Prince George's County Code which were violated.
- A question and response from the employee if he pleads guilty or not guilty.
- Presentation of the infraction, evidence and explanations by the supervisor(s), the employee, the union and/or legal counsel with crossexamination as warranted.

The DRB will conduct a complete and thorough examination of the significant facts and circumstances presented at the hearing. By a majority vote, the DRB will make a determination if the charges have been substantiated or not. In determining whether the charges have been substantiated or not, the required degree of proof shall be the preponderance of the evidence. That is the amount and quality of evidence that tips the scales of justice toward one determination or another. It also relates to witnesses' characters, intrinsic characteristics of evidence, and its probability of truth when tested by the ordinary experience of average people.

Any hearing information, documentation or other disciplinary matters must be held in the strictest confidence by all personnel at the DRB hearing. Any breach of confidentiality will be dealt with appropriately, including, but not limited to, disciplinary action as warranted.

The Lieutenant Colonel, career Major, and/or career Battalion Chief shall:

- Immediately halt any acts which are in violation of the above.
- Immediately advise the employee that they are temporarily removed from operations and are no longer authorized to participate in an operational capacity.

- Direct the employee to immediately leave an area involving operational activity and remove the employee from the accountability check.
- Prepare a package of information which includes, but not limited to, an Incident Notification form, witness statements, etc., and forward to the County Fire Chief or his/her designee for review.

The County Fire Chief or his/her designee shall review the actions of the employee which lead to the temporary removal of operational authority. This review may include, but not be limited to, an interview with the employee, supervisor, and command officer.

The review process will determine:

- Whether the temporary removal of operational authority will be reversed, sustained, or modified based on the facts presented during the review.
- Whether the employee should be placed in a limited public contact status or have his operational authority reinstated.
- The duration of any limited public contact status and the action to be taken to complete any disciplinary process.

A written memorandum shall be sent to the employee by the Fire Chief or his/her designee, updating the employee on his operational status, outlining the actions to be taken, and outlining the process to follow in order to appeal any limited public contact status imposed.

The Fire Chief or his/her designee shall have the authority to place on an employee's operational authority or place an employee on limited public contact status. This authority is normally reserved, but not limited to, those situations when the employee:

- Has any temporary removal from operational authority sustained by the Fire Chief or his/her designee as outline above.
- Has restrictions placed upon, loses, or fails to maintain any of the requirements or standards set forth in the qualifications requirement statement applicable to the employee position.
- Commits an act or series of acts which call into serious question the employee's trustworthiness and/or integrity in the continued performance of the employee's assigned duties and responsibilities.
- Violates the Prince George's County Code.

A written memorandum shall be sent to the employee by the Fire Chief or his/her designee, updating the employee on any restrictions and duration imposed on an employee's operational authority, the duration of any limited public contact status, outlining the actions to be taken to complete any disciplinary process, and outlining the process to follow in order to appeal any restrictions imposed on operational authority or the limited public contact status.

The Fire Chief or his/her designee shall have the authority to suspend and/or place an employee on administrative leave in accordance with procedures as outlined in Prince George's County Code, Subtitle 16, Personnel Law, Section 16-193 (c)(4).

A written memorandum shall be sent to the employee by the Fire Chief or his/her designee, updating the employee on any

imposed suspension/administrative leave and outlining the actions to be taken to complete any disciplinary process.

Any imposition of suspension/administrative leave shall not be construed as final disciplinary action. The imposition of any suspension/administrative leave shall, however, be considered in any future final disciplinary action to be taken as applicable.
