

Thursday March 27, 2014 just after 1730hrs PSC dispatched Engine 72 as the 4th due engine to 3809 64th Ave in company 30's first due. Engine 72, Chief 7 and Chief7B responded with 7 personnel. Units arrived on the scene with fire showing from side Charlie. Engine 72 arrived on the scene picking up engine 833 and 828's lines. The crew advanced a pre-connect from engine 833 to back them up in the building. Chief 7 arrived on the scene and was assigned the side Charlie sector.

Units made quick work of the fire and command scaled back the assignment to two engines and two trucks. Company 7 cleared the scene in just over an hour.
