At 1430hrs PSC dispatched Tower 7 as the first due special service to 4801 52nd Ave in company 9's first due. Tower 7 responded with 4 personnel and arrived on the scene shortly after the first due engine. First arriving units found smoke and fire showing from the second floor on side Bravo. Tower 7 split their crew and sent one team to the second floor and the second team threw ladders, controlled utilities, and vented the roof. With crews making quick work of the fire, command scaled back the assignment and help engine 9 and Tower 7. Tower 7 returned to service at 1608hrs.
