

Tower Runs Late Night 55 Box

Wednesday, November 23 2016 21:52 - Last Updated Wednesday, November 23 2016 22:05

November 11th, 2016 - At approximately 0300 hours Tower 807 was alerted for a possible structure fire in Company 855's (Bunker Hill) first due. Engine 809 arrived along with Command (Chief 809A) to find smoke coming from a single story auto maintenance garage / fuel station. Tower 807 arrived as the second due special service on the assignment and assisted with lighting and ventilation operating for approximately 45 minutes.
