

Crews were just finally sitting down to eat dinner, thanks to the busy afternoon including the two banger in Bowie, when PSC dispatched the box at 2127hrs for the 8700blk of 21st place for the reported house on fire. Engine 73 and Chief 7 responded with 7 personnel. Engine 73 arrived on the scene picking up PE844's line. The crew advanced a back up line from engine 712 and advanced it to the first floor. Chief 7 arrived on the scene and was assigned the basement division. Units made quick work of the fire and command started to scale back the units.

Company 7 returned to service just before 2300hrs.
