

Tower Goes to Work in Cottage City

Thursday, February 26 2015 13:16 -

Just a few hours after returning to service from the fire on Carters Lane PSC started receiving calls reporting a house fire in the 3800blk of 37th PI in company 55's area. Tower 7 was added to the box and responded with 4 personnel. Upon Tower 7 arriving on the scene the crew was put to work on side Charlie of the house to work on overhaul of the house and the shed. Command started scaling back units and Tower 7 returned to service at 1037hrs.
