

## **Tower Runs 13 Box With Civilian Trapped**

Wednesday, November 23 2016 22:07 -

---

November 23rd, 2016 - At approximately 0230 hours Tower 807 was dispatched for a house fire with a report of people trapped. Engine 813 (Riverdale Heights) arrived to find fire showing from multiple sides of the dwelling. Communications also reported that a person was trapped within the house. Tower 807 arrived on scene and began to make entry on the dwelling. Once inside crews from Engine 828 and Tower 807 located the victim and assisted the resident out to awaiting medics on location. The tower continued to operate on location performing primary and secondary searches as well as overhaul operations. The Tower remained on location till 0730 hours.
