

## Engine Runs on Bladensburg WFD

Sunday, March 12 2017 23:19 - Last Updated Friday, April 28 2017 22:49

---

March 12th, 2017 - Approximately 0900 hours Engine 807B was dispatched for a reported house fire. Units from station 809 arrived on scene with smoke showing from the exterior. Per command our crews pulled a 2 inch line and backed up the Engine company from company 809. Units cleared the scene within an hour.
