

Saturday February 28th units from the second battalion were on the scene of a working fire at 9020 2nd St in company 48's area. With a quickly advancing fire, command called for the Task Force at 0353hrs that included Engine 807 with five personnel. Engine 807 arrived on the scene and picked up engine 830's line. The Engine crew was directed by command to advance a line to the second division and assist with opening up and extinguishment. Engine 807 operated on the scene for over an hour, clearing the scene at 0530hrs.
